PROFESSIONAL EXPERIENCES

FTI Tarumanagara University

September 2025 - Present

Student Assistant (Application Developer)

- Developed OBE system **SPA using .NET, Razor** for automated CPMK score.
- Mapped and integrated **15+ database tables** for comprehensive outcome administration and course management.
- Built **8+ interactive UI modules** enabling staff to configure CPMK-CPL outcome mappings.
- Implemented **12+ .NET 4.8 API endpoints** handling CRUD operations for real-time frontend-backend synchronization.

Assistant Lecturer

Feb 2025 - Present

- Instructed **~280 students** across **6 core courses** (Statistics, Calculus, Numerical Methods, Big Data, Computation, Mobile Programming), successfully graduating **267 out of 280 students (95.4%)**.
- Delivered hands-on instruction using **Python, MATLAB, Flutter (Dart), and Unity**, covering computational techniques, data analysis libraries, and mobile development.
- Graded assignments with constructive feedback and collaborated with lecturers on grade management and student performance tracking.

Tarumanagara Foundation

April 2025 - August 2025

Programmer Intern

- Independently architected **"UntarX" full-stack mobile ecosystem** (Flutter app, JSX admin panel, Next.js landing page) achieving **200+ active users** within first week.
- Designed and implemented **3 core modules (Deals, Internship, Events)** with integrated RESTful APIs.
- Executed complete development lifecycle **encompassing 20+ UI/UX screens**, business logic implementation, database integration, and comprehensive feature testing.

ORGANIZATIONAL EXPERIENCE

Tarumanagara English Club

August 2025 - Present

Active Member

- Participated in **3 major organizational programs** contributing to each event's financial success.
- Supported fundraising division in NEON 2024 by executing **3+ creative revenue** initiatives including online surveys and on-site sales, helping achieve 100% of fundraising target.
- Led as **Treasurer** for SPHERE 2024 and SACT 2024, managing budgeting and expense allocation, ensuring transparent fund management and achieving **10-15%** budget surplus.
- Collaborated with **5+ division leaders** as Treasurer to monitor financial flow, verify reports, and ensure all project goals and timelines were met effectively.
